People of MI v Willie Leon Jackson

Docket No. 281681

LC No. 07-028787-FH

---

The Court orders that the motion to remand is DENIED for failure to satisfy the requirements of MCR 7.211(C)(1). MCR 6.429(C) and MCL 769.34(10) do not independently support a remand because, in the relevant issues, defendant presents claims of legal error that do not involve claims of incorrect scoring of the sentencing guidelines or the trial court considering inaccurate information in determining a sentence within the appropriate sentencing guidelines range.
